Disclosures/Footnotes: This document does not constitute an offer to sell, or a solicitation of an offer to buy the Fund's shares. No sure offer or solicitation will be made prior to the delivery of an offering memorandum and other materials relating to the matters mentioned herein. Before making an investment decision with respect to the Fund, potential investors are advised to read carefully the confidential offering memorandum and the related subscription documents, and to consult with their tax and financial advisors and legal counsel. Past Performance is not representative of future results. This summary does not purport to be complete and is qualified in its entirety by reference to the more detailed discussion contained in the Fund's confidential offering memorandum and the Fund's constituent documents.

PAST PERFORMANCE IS NOT INDICATIVE OF FUTURE RESULTS.

\* The returns listed above from August 2012 to December 2013 are net of all fees, expenses, exclude interest, and are based on CIM's composite managed account returns adjusted for fees of 1/20 (Class A) and 2/20 (Class B), and target volatility, and have been calculated by CIM for the period August 2012 to November 2012 and by NAV Consulting for the period December 2012 to December 2013. There is no guarantee that the Fund would have achieved exactly these returns given the adjustments made. Prospective investors should not rely on the returns listed above as a basis for their investment in the Fund. The returns from January 2014 reflect the actual net performance of the founder share class of Centurion Short-Term Trading Fund, LLC.
