

OCTOBER 2014

PERFORMANCE SUMMARY

FIRM OVERVIEW

Centurion Investment Management (CIM), LLC is an experienced investment team specializing in the systematic trading of global equity, fixed income, commodity and foreign exchange futures markets. CIM seeks to capitalize on short-term price inefficiencies to generate high risk-adjusted returns while minimizing correlation to both traditional and alternative asset classes. CIM uses a scientific approach to research, identify, develop and execute strategies capturing short term market inefficiencies while overlaying comprehensive risk management.

INVESTMENT STRATEGY

- Short-term systematic trading of 52 liquid global financial and commodity markets. Trades are held on average 6 hours and holding periods range from intraday to 2 days.
- Portfolio consists of more than 86 independent momentum and mean-reversion trading strategies which are dynamically weighted based on volatility, correlation and performance.

Disclosures/Footnotes: This document does not constitute and offer to sell, or a solicitation of an offer to buy the shares described herein. No sure offer or solicitation will be made prior to the delivery of an offering memorandum and other materials relating to the matters mentioned herein. Before making an investment decision with respect to the partnership, potential investors are advised to read carefully the private offering memorandum, the limited partnership agreement and the related subscription documents, and to consult with their tax and financial advisors and legal counsel. Past Performance is not representative of future results. This document contains a summary of the purpose of the partnership and the principle business terms of the partnership; this summary does not purport to be complete and is qualified in its entirety by reference to the more detailed discussion contained in the private offering memorandum and the actual text of the limited partnership agreement.

PAST PERFORMANCE IS NOT INDICATIVE OF FUTURE RESULTS. The returns listed above, are CIM's composite managed account returns, calculated by CIM for the period August 2012 to November 2012 and by NAV Consulting from December 2012 onwards, and are net of all fees, expenses, and exclude interest. Fees relating to Centurion Short-Term Trading Fund Ltd (the Fund) will be higher than those charged in these composite returns, and prospective investors should review the performance table on the Fund fact sheet for further details. Prospective investors should not rely on the returns listed above as a basis for their investment in the Fund.
